Collaboration with Global Leaders

For the first time all of the major Youth Ministry networking organizations that connect various global ministries gathered in one place. Dr Dave was honored to have CE invited to be part of this group to establish direction for a global initiative. The goal of this collaboration is to create synergy between the various global ministries and networks in order to accelerate the spread of the gospel to over 2.2 billion youth that are not followers of Jesus.

Dr. Dave's Extensive Tour and Training Through Seven Areas of India

Dr. Dave recently completed a visit to eight different cities in four states to interact with leaders and youth from CE in India! In each location, Dave led high energy, thought triggering sessions helping delegates reconnect with the essentials of CE.

CE – Pynthroumkhrah

Dr Dave kicked off his marathon training sessions at the Pynthroumkhrah Presbyterian Church, home church and CE network of Dr Latam (General Secretary – CE in India).

CE – Mawkhar

Next Dr Dave visited and trained members of the first CE network in the Meghalaya region! The visit helped youth and leaders open up and ask questions about CE - World and help encourage them!

CE – Mawtnum

Part three of his visit took him to the warmer part of Meghalaya. Here in Mawtnum one of the key qualities of a Leader came from Jacobed's story!

CE Jowai

The fourth and final leg of the Meghalaya trip was in the quaint town of Jowai, here the youth had an awesome time learning the 4 pillars/squares or dimensions of CE. Do you know them all?

CE – Bhubaneswar

Dr Dave led the session for the CE Bhubaneswar members in a high energy high impact 3 hour program. This included the four principles of Christian Endeavor (“Up, In, With, Out”), understanding the CE Pledge and examining qualities of a leader through the story of Jochebed.

CE – Khurda

Dr Dave then visited the Khurda Baptist Church, home church of Rev Sahu (VP Asia Region, CE – World) Here the youth led the praise and worship and it was simply electrifying. Fun Fact – This is the Church Rev Sahu started his journey with CE over 52 years ago, when his father Rev Birendra Kumar Sahu served (longest serving honorary pastor of this Church!)

CE – Chennai

Even though Chennai was the hottest place Dr Dave visited during his trip to India. It was not enough to stop him for reigniting the passion for Kingdom work among the leaders and Youth of CE in South India!

Trip Summary

In all Dr Dave was able to inspire, remind, train and encourage over 400 CE Youth and Leaders during his time in India. The experience has left many Youth charged and ready to do more to aid in Kingdom work through CE!

Three key take aways from these sessions were

1. The four dimensions of CE
2. Understanding the CE Pledge
3. Lessons in Qualities of a Leader from Jacobed's story
